Dr. John Gilmore

John Gilmore, M.D.

Born in Madison, Wisconsin and raised in West Virginia, Dr. John Gilmore earned his M.D. at West Virginia University School of Medicine and completed his residency in Denver, Colorado. Dr. Gilmore previously worked in Primary Care Internal Medicine on Kaua'i for eight years and is thrilled to be back home on Kaua'i after practicing for numerous years in California – both in community health care at UCSF and in private practice in Palm Springs. In his free time, Dr. Gilmore enjoys swimming, hiking, gardening, golf, music and theater.
