## Dr. Ron Bloy

**Ron Bloy**  
**D.D.S**

Graduated from the University Of Nebraska Medical Center College Of Dentistry in 1988.

Has been practicing all aspects of general Dentistry for over 25 years. Was in private practice in Nebraska for the first 20+ years, then started working in the Community Health Centers system on Molokai.

He is married and he and his wife both enjoy many outdoor activities like hiking, fishing, snorkeling and walking our four legged furry "kids". He is an active member of his church and enjoys traveling.
