## **Samantha Fisher, Registered Dental Hygienist**

**Dental  
Hygienist**

Sam is from Washington state where she attended Columbia Basin College and graduated with an Associates Degree in Science and also received an Associates Degree in Dental Hygiene in 2010 when she graduated from CBC. She enjoys spending time with family, going to the beach, hiking and traveling. Here at Ho'ola she helps patients reach and maintain a healthy oral environment. She loves creating a rapport with her patients, making each one apart of our dental ohana and is very grateful to be able to serve such an amazing community.
